

Basic Functions of BIOMEDICAL DEPARTMENT

Hello sir,

Greetings from RMR Hospital!!!

We offers you a centralized solution "RMR Biomedical Services" for various activities above mentioned and much more.

Labour AMC is available so that all your biomedical equipments will be covered. Routine PMs and calibrations are included with unlimited breakdown maintenance calls.

Hospitals can also ask for consultancy services.

By using our services you can reduce your purchase costs, maintenance costs as well as service delays of medical equipments.

Interested institutions may contact by mail or call.

**For Hospitals with 100 beds or less,
inventory creation & assesment
will be done "free of cost" 😊**

For queries please contact:
