

BIOMEDICAL TRAINING MODULES

1. HOSPITAL VISIT MODULE

Duration : 1 Day
Rate : 1000/- per person
Visiting all Departments and Biomedical Equipments in the Hospital

2. BASIC TRAINING MODULE

Duration : 1 Week
Rate : 2000/- per person
Awareness on Biomedical Engineering
Observation and familiarization of Biomedical Department and Equipments

3. HANDS-ON TRAINING MODULE

Duration : 2 weeks
Rate : 4000/- per person
Basic Training Module + Hands-on Training in operation of Biomedical Equipments

4. INTERNSHIP TRAINING MODULE

Duration : 1 Month
Rate : 6000/- per person
Basic Training Module + Hands-on Training Module + Basic troubleshooting of Equipments + Familiarization of Other Departments in a Hospital

5. EXPERTISE TRAINING MODULE (After course completion)

Duration : 6 Months
Rate : 9000/- per person
Basic Training Module + Hands-on Training Module + Internship Training Module + Other Departmental Postings + Preventive Maintenance, Calibration and Troubleshooting of Equipments.

6. FELLOWSHIP TRAINING MODULE (After course completion)

Equivalent to Work experience
Duration : 1 Year
Rate : 16000/- per person
Basic Training Module + Hands-on Training Module + Internship Training Module + Expertise Training module + Standard Operating Procedures of Biomedical Engineering Department + Guidelines in Biomedical related procedures for various certifications like ISO and NABH

Note:

1. Training rates is shown for individuals and hence for groups it may vary.
2. A training kit will be issued to all students with necessary materials for training.
3. Certificates will be issued for all students undergone training.

For queries please contact

Mr.Sreenath R
Senior Biomedical Engineer & H.O.D
RMR Hospital, Tiruvannamalai, Tamil Nadu
Mobile: 9895893578,
Mail: bme.rmrhospitals@gmail.com

Qualification Required:

All Biomedical/Medical Electronics students with Diploma / Graduate / Post Graduate certificates or still continuing. ITI in Electronics students can also apply.
